Revised January 2023

GENERAL GUIDELINES

- A learner only receives the highest award per activity each year (for example, if it is Full colours, Half colours are not given).
- The policy is evaluated and revised from time to time. Therefore, changes may be made during the year. A medal of honour is a special award.
- Learners than enrol from other schools can receive recognition when providing evidence of achievements that comply with this regulation.
- Sports awards are subject to learners who played 75% of matches for the season and attended 90% of the scheduled practices.
- Condition: Awards are subject to true Montie citizenship. Special awards and trophies are subject to the approval of the management committee.
- Awards for individual achievements that are not included in the regulations will be considered by the committee on merit, taking the general guidelines into account.
- All awards must be substantiated by evidence from an official body.
- The final decision regarding the awards rests with the organizers and the awards committee.
